NOTE: Revised to reflect schools added by NYS Education Dept. on Sept. 10, 2003. In addition to the 43 failing schools listed above, three schools (#51 Black Rock Academy, #57 Broadway Village El. Community, and #302 Emerson Vocational High School) were designated as failing by the NYS Education Department but have been closed.

* School #71 - WEB, School #206 - South Park High, and failing schools identified as "School Requiring Academic Progress" are not required to provide public school choice transfer options or supplemental educational services because their student populations do not include enough low-income students.
